

## Tribute to a Servant

Evangeline Muñoz Lim, one of our Child's Hope founders and a volunteer mission worker extraordinaire, passed away last April 4<sup>th</sup>. She will be remembered as one who had an easy smile and a loving concern for everyone, especially those in need.

Geline truly believed that every child deserved the chance to develop into what God would want him or her to be.

She always reminded our UCH parents that love is the key to raising happy children.

Her memory will live on...

Arm-in-arm the children presented a song about love at the March 27<sup>th</sup> closing ceremonies.

## 51 children graduate this year!

As always, Teacher Maribel had an awesome program to close the school year.

Awards – from the most punctual to the most improved to the most expressive. Of course there was our *valedictorian* who delivered a most impressive speech.

In the pictures are Patty, Geline and Carolyn presenting awards, and President Ruben posing with a graduate whose parents are both Child's Hope alumni!

## Going Pre-K next school year

When there was no kindergarten in the public school, our pre-school program was equivalent to kindergarten. Now that the public schools have kindergarten, our pre-school will be pre-K. We do not want to duplicate what the government already provides. Thus, starting next school year, we will be admitting 4-year-olds instead of five-year-olds.

Child's Hope will continue to provide quality pre-schooling with focus on value formation, and continue to bridge the gap between the disadvantaged children and their more fortunate peers.

## Special visitors

Major UCH sponsors, Willy and Miriam Zaragoza, came with our other friends from the Tri-Cities, Washington, Ernie and Helen Tatumay, and Ted and Rose Vega.

Rolly and Mina Granados from Las Vegas...

...and Patricia and Devin Lim from San Diego, and Astraghels Agnes Gupana, Minda Quimio and Ofie Gupana, also visited.

Child's Hope is a non-profit, non-stock corporation dedicated to the belief that every child deserves the opportunity to develop into the person God has created him or her to be. Its mission school is located at Lotus Drive, Beverly Hills, Antipolo/Taytay, Philippines.
