

UCH Opens with 45 Preschoolers

Forty-five wide-eyed 4-year-olds started their year with us last June – 23 in the morning class, and 22 in the afternoon.

President Ruben led the orientation of the parents on day one. In exchange for the free tutorials, school supplies and uniforms, a parent of each child is to give four hours of volunteer service. He or she may be assigned as a teacher's assistant, as a day's librarian, or custodian to help keep the campus clean.

The pre-K classes started in June.

Everyone was excited!

Children and their parents were at the opening and dedication of the friendship playground.

Palaruan ng Magkakaibigan!

Under the mango tree now stands a playground built from donations received at Geline's memorial services. It is called *Palaruan ng mga Magkakaibigan* (playground of friends), and was dedicated to Geline last July.

Pre-K class progressing well

We took in 4-year-olds this year, for pre-K tutorials. And Teacher Maribel implemented the program adjustment seamlessly.

Child's Hope will continue to provide quality pre-schooling with focus on value formation, and continue to bridge the gap between the disadvantaged children and their more fortunate peers.

Special visitors

Visitors included Ed, Amy, Adelina and Gibson Lim from Pacifica, California, Patty and Devin Lim from San Diego, and Rob, Mari and Colby Jones also from San Diego.

They brought books, school supplies, kid's wall stickers, and a year's supply of gummy vitamins.
