

Four months in: Focus on social-emotional!

We are putting greater focus on social-emotional learning, especially now that we have younger children in pre-Kindergarten. Experts say that children "who demonstrate social competence are more likely to graduate from high school, go to college, get a job..." We agree!

Teacher Maribel is really very good in inculcating respect, helpfulness, honesty and discipline, as seen in her former pupils.

Of course we still need to teach letters and numbers because when the children complete their year with us and continue on to the public school system, the main focus there is still on academics. Fortunately, we were blessed with an awesome teacher who does a great job balancing both.

The workbooks donated by Arvenida Eracho of Parañaque have been most helpful. The teacher no longer needs to have her book pages photocopied.

July was Nutrition Month! Teacher Maribel and the parents organized celebrations to increase awareness on the importance of proper nutrition. In the photo is the morning class.

The UCH Library

The children started using the library and everyone was excited. Thursdays are the borrowing days and Tuesdays are the returning days. This teaches responsibility and sharing with family.

Happy birthday Lolo Henry!

Special visitors

Friends from the **Couples for Christ** came last September to help celebrate the birthday of Lolo Henry. They brought Jollibee party boxes for all the children!
