

## 46 children complete their year with us!

Our closing ceremonies were scheduled for March 24<sup>th</sup>. But we had to cancel because of the coronavirus pandemic. We were of course all disappointed, but as UCH President Ruben del Rosario said, it is better to keep safe and healthy.

Teacher Maribel Nebab had taught the pre-schoolers well. Aside from reading, writing and numbers, she focused on integrity, respect and compassion.

The mission operates in close partnership with the parents. One parent per child gives four hours of volunteer service per week. Some help in the classroom, some work at the library, while others keep the campus clean and trim. The cooperative program proves beneficial to the parents themselves, and they enjoy it, too!

In the coming school year, the children will continue on with kindergarten in the public school system.

## Special visitors

We were blessed this quarter with a number of friends who visited. There were Don and Nany Scott from Washington, and Ding and Baby Cayme from California who came with Geline's favorite niece Rina...

...and Rich and Loren Dyas from Nevada, and dear old friends Ben and Helen Claridad!

Thank you, all, for your support. Love you!
