

Graduation 2023

The class of 2023 graduated in April. Our 2023 graduates are now continuing with kindergarten in the public school system.

In August, we started the school year with a new batch of 50 bright young children who are excited to learn with Ugnayan Ng Child's Hope.

The mission operates in close partnership with the parents. One parent per child gives four hours of volunteer service per week. Some help in the classroom, some work at the library, while others keep the campus clean and trim. The cooperative program proves beneficial to the parents themselves, and they enjoy it, too!

Parents' Orientation

The first exam week of our students was completed in October. Congratulations to our hard working students and Teacher Maribel that our students performed very well.

We had our first PTA Meeting in September. The Morning and Afternoon Class Parents already have organized PTA Officers. We are happy to see their willingness and cooperation with regards to their daily tasks in the school operations. Thank you and God bless po.

We are eagerly anticipating the re-opening of our library soon.

We had a special visitor in August. Our head of fundraising in the US, Tess Pulido, traveled from Richland, WA to visit us. Thank you for your volunteer service!

Child's Hope is a non-profit nonstock corporation dedicated to the belief that every child deserves the opportunity to develop into the person God has created him or her to be. Its mission school is located at Lotus Dr., Beverly Hills, Antipolo, Rizal, Philippines.
